

CHRIS VALMONTE

Front-End Web Development

 chrisvalmonte.com

 hello@chrisvalmonte.com

 linkedin.com/in/chrisvalmonte

I create web products that are usable, responsive, and delightful. With my background in computer science and interest in UI/UX design, I am passionate about making technology easier for experts and non-experts to use. My work isn't work because I love doing it. In my spare time, I enjoy playing video games, watching Disney movies, and sprinkling my magic development dust across the web.

SKILLS

Design

EXPERIENCE

Code Publishing Co.

11/2016 - 02/2018

Front-End Developer

Seattle, WA

- Coordinated with the development and marketing teams to improve internal and external user experiences.
- Conceptualized, designed, and implemented user interface features of varying fidelities.
- Conducted manual QA tests and resolved issues with cross-browser/cross-platform compatibility.

Expedia Group

09/2015 - 06/2016

Capstone Project - Team Member

Seattle, WA

- Oversaw development using Agile and Scrum, which led to the deployment of a successful MVP.
- Developed 80% of the front-end for demos with stakeholders and presentations.

EDUCATION

Udacity

04/2018 - Present

Nanodegree, Front-End Web Development

Seattle, WA

Seattle University

09/2012 - 06/2016

BS, Computer Science

Seattle, WA

SELECTED PROJECTS

Hotels Now (Capstone)

- Documented and developed a fully automated web app.
- Set up schedules, delegated sprint tasks, and cleared roadblocks impeding my team.

Government Web Interfaces

- Customized interfaces for over 10 local governments, including:
- [bellevue.municipal.codes](#)
 - [jasper.county.codes](#)
 - [wiyot.tribal.codes](#)

nwfasisangbagsak2017.com

- Created a website for the NWFASA's 22nd conference.
- Saved the committee hundreds of dollars as they did not need to print programs for the event.
