in linkedin.com/in/chrisvalmonte

I am a software development engineer with 4 years of experience, a data-driven engineering perspective, and an "eye" for user interface design. My peers describe me as positive, dependable, and customer-focused. I ambitiously seek new challenges and thrive off of them. Outside of work, I am an e-sports gamer, Seattle sports fan, and car enthusiast.

EXPERIENCE

Versium
Software Development Engineer
06/2018 - Present
Redmond, WA

- Domain expert of a front-end system that drives an enterprise B2B web app.
- Provide constructive UI/UX feedback and implement pixel-perfect designs.
- Discover end-to-end edge cases, file JIRA tickets, and squash bugs.
- Interview applicants, onboard developers, and help ensure team success.

Code Publishing Co.
Front-End Developer
11/2016 - 02/2018
Seattle, WA

- Invented a content-sharing feature used by hundreds of municipal governments and their surrounding communities in the U.S.
- Designed and implemented a fully accessible, responsive, and cross-browser compatible (including IE8) codification web app.
- Developed an SCSS variable system, which cut development time by 33%.

Expedia Group
Student Software Engineer
09/2015 - 06/2016
Bellevue, WA

- Developed the front-end and logging system for a hotel shopping web app.
- Documented the vision and scope, business, and software requirements.
- Facilitated team meetings and retrospectives.
- Conducted demos to company stakeholders.

SKILLS

Refactoring & Software Evolution, Code Review, TDD / BDD, RWD, Accessibility, Usability, Cross-Browser Compatibility

PROGRAMMING

ES6+ JavaScript, HTML5, CSS3 + SCSS, ReactJS, Redux, REST + AJAX, Jest, Enzyme, Bootstrap, JQuery, MySQL, PHP, Laravel, Ruby, Ruby on Rails

TOOLS

Git, Browser Developer Tools, Postman, Docker, Vagrant, InVision, Adobe XD, Trello / Asana / JIRA, Confluence

EDUCATION

Seattle University
09/2012 - 06/2016
BS, Computer Science
Seattle, WA

SELECTED PROJECTS

100 Days of UI Design Challenge
12/2019 - Present

Currently learning how to use the Sketch app by participating in daily design challenges, mocking up user interfaces for things such as music players, e-commerce shops, and login pages.

Government Web Interfaces
01/2017 - 02/2018

Customized interfaces for over 10 local governments, including:

- bellevue.municipal.codes
- jasper.county.codes
- wiyot.tribal.codes

Developer Portal
06/2018 - 12/2018

Utilized React, RESTful web services, and a visualization library to deliver an interactive experience for developers to consume APIs and monitor usage. Maintained 80% test coverage.

nwfasaisangbagsak2017.com
02/2017 - 03/2018

Donated a responsive, static website to the Northwest Filipino-American Student Alliance for their 22nd annual conference. Students used it for the event program, workshop information, and UW Bothell campus map.
